School Wide Themes

Purpose

The need for school wide themes !

What themes do for the staff and the leader of a building?

School wide themes provide the principal with “*the glue that holds a staff together.*” Themes help evolve staff members into an education family; a family that works together to educate and recognize individual *student and staff* successes.

It’s all about attitude. Themes help keep the entire staff motivated and positive throughout the school year. A highly motivated staff maintains a positive attitude and students are inspired. The learning environment is super charged and great accomplishments prevail.

Themes let great things happen for everyone in the learning community !

Theme Benefits

- Develop and foster relationships among people
- Develop a sense of togetherness (education family)
- Keep staffs motivated throughout the year

Theme Selection

Three Theme Creation Strategies

Method One: Principal

The school principal creates or selects the theme. The selection process is often based on an assessment of school needs.

Example: The principal might determine that a theme supporting manners, teamwork, academics or community relations best serves the current school climate.

The principal may receive input from the education community (staff, students, parents, and patrons) however; the final decision rests with the principal. This “beginners method” is directive in nature and satisfies the principal’s immediate school needs assessment.

Specific theme support days can be established and theme shirts with logo’s may be worn.

Method Two: Community

The principal solicits ideas for next year's theme from the staff, students, and community.

Popular methods:

- School newsletter to parents
- District publications
- School website
- Staff bulletins
- Staff meetings
- Classroom student meetings

The publications and meetings describe the criteria for the theme and establish a deadline for submissions.

Example: The theme must be presented in acronym form and support a positive learning environment. A word like HAPPY might be chosen and convert to - -

H.A.P.P.Y --- “Have A Positive Productive Year.”

Once the deadline has passed and all eligible entries are received, the selection process begins.

- All eligible entries are compiled into a ballot form
- The ballot is made available to the learning community, students, parents, staff, patrons, etc. Completed ballots may be received via mail or in person.
- If more than five different acronym theme entries are received, the first vote can narrow the theme selection to the top three. Then a re-vote may be conducted to select the winning theme for the following year.
- If the initial submissions reveal less than five separate acronym entries, then the most votes wins.

Once the winning theme is selected:

- The theme is publicized in all school and district publications
- The staff and students submit ideas for the theme logo that will be used for a wall mural and the theme shirts
- The staff and students choose the colors that will be used for the theme shirt
- The principal selects the theme logo from the input provided

Method Three: Staff

This is a powerful method that focuses on staff unity and their buy in for the entire theme process. Your staff creates the theme for the next school year.

Staff requirements:

- Staff members may choose to work alone, in teams, or small groups
- Staff members submit as many different theme ideas as they can envision.

- All theme ideas are submitted to a selected office administrator by an established deadline.
- A ballot containing all submissions is created.
- A staff meeting is scheduled and staff members will present their theme ideas to fellow staff members. The presentation must include; ideas for decorating rooms, treats or ideas for theme related incentives, how the theme can be integrated in the educational program, theme logo and colors for the theme shirts, and anything else that provides support for their submission.
- Upon completion of all presentations the staff members receive the ballot and vote for the theme of their choice.
- The first vote usually narrows the choices to the top three theme ideas. A second vote may be required to break a tie and the winning theme is supported by the most votes. Save all material – these are competitive presentations made by your staff members and will prove invaluable for future theme selection processes.

Rewards

- Provides teamwork for staff members
- Encourages school spirit
- Supports staff buy in for school wide theme ideas
- Entertaining way to select themes and provides healthy competition
- Personalizes staff members ideas on how to implement the theme in their classrooms
- Generates laughter and creativity during staff presentations
- Provides positive staff morale

The winning entry can be rewarded:

- If the winning presentation is conducted by two staff members or less, a dinner for two might be offered.
- If a team of teachers present the winning theme they may enjoy lunch together.

Suggestion: Video the theme contest. The video becomes priceless at teacher retirements or staff functions.

Theme Selection Timing

When do I begin the theme selection process?

This timeline is based upon on a school year that commences in the middle of August and ends in May.

- In early April the principal advertises it is time to come up with a theme idea for the following school year and a deadline is set for new theme submissions
- Middle of April - theme ballots are created and if using method three a date is set for the theme contest
- Last week in April the final vote is tallied and the theme is announced
- First of May - the theme shirt logo and colors are presented to the principal
- End of May - in conjunction with staff departure for the summer - they submit orders for their theme shirts
- First of June - theme shirt orders are placed with the T-shirt vendor.
- Staff reports in August - theme shirts are ready on the first day
- The theme begins for the new school year

Theme Kick Off for the Staff

What is a theme kick off?

A theme kick off is held at the beginning of each school year. This kick off is for the staff and their families. A cook out is held - new staff members and their families are introduced. This is also a great opportunity to thank families for their support to children and the entire education process.

Following the cookout the staff stays to decorate their rooms together. It provides a fun evening and great teamwork as the rooms are prepared for the students. During the evening, drawings and contests are held for staff members.

Prizes related to the school theme are given throughout the night's events. These might include decorations for bulletin boards; stickers, note pads, or larger gifts donated by local businesses.

It is a memorable evening and a fun way to start the school year.

Students, Parents and Community Members

When do they get theme shirts?

Theme shirt orders for students and parents are taken during student enrollment. Order forms for patrons are always available in the school office. All orders must be placed not later than the second week of September.

This concludes the introduction... however, as you embark upon implementing the selected theme... it's likely you'll want to introduce it to students, staff and select community members. Therefore, we've included some of the introductory material in the theme process too !

Let's introduce your selected theme... and ... it's most important functions.

“As you know, it's all about the kids. Whether it's kindergarten, pre-school, grade school, elementary school, middle school, junior high school or high school... If we unite the staff and students, promote a positive environment and encourage school spirit... the students will respond. They are inspired and better things happen.”

S.E.A.S.

Successfully Educating All Students

Each theme is introduced in acronym form. Additional discussions may be found at our web site <http://www.schoolthemes.org/acronyms.html>. This “play on words” can provide additional sessions for staff fun and creativity.

Each of our themes is introduced in acronym form. Additional discussions may be found at our web site <http://www.schoolthemes.org/acronyms.html> This “play on words” can provide additional sessions for staff fun and creativity.

The name (acronym) selected for your school theme represents your first attempt at creativity. Whether you choose one of our “named” themes or create your own... the fun really begins here.

The name is not what’s important.

It’s your imagination and the methods you use to promote your School’s Spirit.

The word or words chosen may become your school’s slogan for perhaps a full year. Although you’ve selected our theme - **SEAS**, - you might chose to change the name to fit your school’s character or special needs.

Once you’ve seen our examples of theme implementation, you’ll know it’s ok to make changes to suit your style. In fact it’s encouraged. You’ll want to support lasting school spirit so be creative, inventive and have some fun with new concepts.

Once again, it’s likely your theme (**SEAS**) will be displayed on school correspondence, wall murals, lockers, etc. So have fun with step number one.

The bonding, staff unity, student participation and excitement commences now.

Next – we assume total staff participation and support. Without the commitment of the entire staff, themes are just *whispers in the wind*.

Like all good ideas – there is a “kick-off” session and each unique theme contains ideas related to that particular acronym. In your case – the theme **SEAS** has been selected and we’ve incorporated related ideas or “theme” content concepts.

Remember – *a key concept* - themes must contribute to a students’ learning success.

If not - why use them ?

Your day is already filled with may other demanding tasks...

However, when you have staff buy in... school themes... become the catalysts that ignite the inspiration fuse. Excitement is contagious... effective school wide themes inspire, motivate, and excite staff and students.

Theme Seas:

Seas is a theme that supports No Child Left Behind, to educate all students. The theme places a focus on finding teaching strategies that work to educate all students.

Theme Kick Off: What is it?

A theme kick off is held at the beginning of each school year. This kick off is a cookout... for the staff and their families. Often new staff members and their families are introduced at the same time the next years’ THEME is introduced. It is also a great time to thank the families for their continuing support.

Following the cookout... the staff remains to begin decorating their classrooms. This is an evening demonstrating staff teamwork. Drawings and contests are held for the staff members and prizes related to the school theme are awarded. They might include decorations for bulletin boards; stickers, note pads, or even larger gifts that may be donated by local businesses.

This can be a memorable evening.

Theme shirts

- Each staff member receives a theme shirt at the beginning of the school year. The kick off – cook out is often a good time to present the shirts.
- How do you provide shirts for your staff ? You may choose fund raisers, a business sponsor, parent/teacher organizations or individual staff members as a means to purchase shirts. Our web site provides links to top of the line vendors if you haven't selected a local resource for shirts. <http://www.schoolthemes.org>. The theme shirt is usually a short sleeve T-shirt however, long sleeve T-shirts, polo shirts, denim shirts or sweatshirts have also been selected.
- **SEAS** shirt: Blue or sea green T-shirt with cream lettering representing the color of sand. On the left front - the logo is a sea horse with your school initials. The back of the shirt presents ocean waves with **S.E.A.S.** printed over the waves.
- Theme shirts are typically worn on the first day of school, during monthly theme celebrations, staff dinners, district meetings, field trips and staff recognition days.
- Shirts are available for students, parents, and patrons to purchase during student enrollment. They provide symbols of staff unity and school teamwork for your education family.

Decorating Ideas

- A **SEAS** mural is painted on a wall where student success awards are displayed. The **SEAS** mural could be an ocean scene, painted by parent volunteers or the art class.

- Curtains for the office and individual classrooms can be purchased or made from ocean-related material. Items such as ships, sea creatures, or ocean colors are appropriate.
- Pictures of ships, palm trees, seagulls, ocean life, lighthouses, etc., can be utilized on bulletin boards.
- All communication documents such as parent newsletters, staff bulletins, the school web site, school stationary, student and staff handbooks, etc., display the [SEAS](#) theme.

Staff Incentives

- First school year staff meeting: Teachers receive a “treasure chest” or sailor hat that can be filled with supplies such as a whale eraser, a pen with the theme printed on it, a set of “[SEAS](#)” note cards, [SEAS](#) magnets, etc. Also include a “shore leave” for a designated amount of time during which the principal covers for the staff member. This allows time for teachers to observe other teachers, provide planning time for integrated units, a break from duties, or just an opportunity for the principal to work in other’s shoes. The staff training video “Fish” is shown about the Seattle Fish Market.
- First day of school: Provide a bowl of gold fish crackers and place a [SEAS](#) theme banner in the lounge.

----- Sidebar -----

Many schools have become more aware of the advantages and disadvantages of eating in certain ways. People are much more aware of the relationship between what they eat and how they feel. Along with a push to decrease junk and increase nutritional content in school lunch, many school districts also are placing limits on pre-packaged food and drink that have become a mainstay for some middle-and high-school-aged students.

It’s all part of encouraging healthy lifestyle choices. Concentration and ability to learn can be affected by nutrition.

And what's in the food we eat ?

Building-Wide Academic Achievement Program

Building-wide academic achievement programs can be focused around the theme. Examples include timed math tests, spelling, reading skills, keyboarding skills, or any area in which students master a skill level and move forward to the next.

Example of a building-wide time math test: “Sailing the Seven SEAS”

This test is administered weekly on basic facts in addition, subtraction, multiplication, and division and is intended to help students improve these skills.

Each student has a sailboat cut out and puts their name on it. As the student passes the timed test at each level the sailboat moves through the **SEAS**. The goal is to pass all seven levels. A chart is created and placed in each classroom displaying the student successes.

Upon successfully completing each level students receive a certificate and a prize from the principal. Each certificate is printed to reflect the theme in use and includes student name, date, level tested and the principal's signature.

Classroom teacher aides help with grading the tests, keeping progress records moving the sail boats, and preparing tests for the next week.

After the completion of all seven levels the student's name is announced over the intercom.

Example of prizes and certificates:

- Level 1 – Piece of gum from the principal-Dad “Gum” good work.
- Level 2 – Sailor pencil-You are looking “Sharp”

- Level 6 – Coke certificate from Long John Silvers-You deserve a break!
- Level 7 – Sailor Hat with the words, “I sailed the seven **SEAS** at (name of your school)” imprinted on the hat.

Helping the teacher create a common vision or common goal has shown **tremendous** success. Staff members and students all respond to an enthusiastic school wide - **theme presentation**.

Presentation is the key... educators want school spirit to be high... they desire inspired learning and they know it helps to generate classroom excitement.

Students and their education family benefit from good, fun, creative and results oriented endeavors that support their school, their classmates and community.

We hope you have enjoyed the creative prospects we've shared as part of the **SEAS** theme and would enjoy hearing from you. As you recognize by now there is room for additional creativity in both the presentation and execution of our themes.

Wishing you the best education successes,
